## ANNOUCEMENTS

### Message from the President

Salamun Alaikum

Alhamudillah, I am please to report that the extension project of the Gents' Hall is completed well ahead of time. We are extremely grateful to the builders, Mr Chen & his team for extra hard work to ensure that the extensive work was completed before the start of Muharram programme.

Besides having more toilets (six in total, including one for disabled) we have now Gents' washroom inside the building.

The new kitchen is even bigger than before with a separate cooking area.

The Wudhu and Ghusal Kafan room has been relocated. Larger water storage tanks have been installed to provide good water flow on all taps even when used at the same time.

A new shop has also been built at the rear back yard.

Overall, by knocking the walls between the old Wudhu Ghusal – Kafan, Kitchen and lobby, we have increased the Gents' Hall space by nearly 40%.

The ladies will even more space. They will be allocated the full use of Gents' Nursery area. Both Halls have been renovated, new more affective ceiling fans have been installed in both Halls and the 'ugly' metal folding doors have removed and replaced with a solid wall & double doors opening.

The bookshop has relocated to more convenient area in the Gents' extended Hall.

Two extra fire escape doors fitted in both Nursrey side Halls.

Jaza Kallah to all of you for contributing in any way towards this project.

Dr Liaket Dewji
